

FACULTY PROFILE

Dr. Pankaj S. Patel

Head, Department of Chemistry. (UG & PG)

Associate Professor,

Sheth L. H. Science College, MANSA, 382845.

pspatel_mansa@yahoo.co.in

Ph.D. in Chemistry, Hem. North Gujarat University, Patan.

Area of Expertise

Heterocyclic Chemistry, Metal Complexes (Organic & Inorganic chemistry)

Achievements/Awards/Recognition

- USA Paper Presentation Contribution by UGC.
Word Largest International Conference, Pittcon- 2010 Orlando, Florida, USA.
- Four UGC sponsored minor research project has been completed.
- Research guide in chemistry at Gujarat University Ahmedabad.
10 Students awarded Ph. D. degree under my guidance.
- More than 80 Research paper publish in international and national journals.
- More than 20 Seminar and conferences attended and presented research papers.
- Editor board member in various international and national journals.
- 4 books are Published at International level on Heterocyclic Chemistry with ISBN;
Lambert Academic Publishing GmbH & Co. KG, Germany. Printed in the U.S.A.
- Life member of Indian council of Chemists (FICC).
- 26 Years of U.G. and 21 Years of P.G. teaching Experience.
