(11) Voting Awareness & Voting Awareness Competition

Date: 25/03/2022, No. of Students Participated: 120, Staff: 18, Total: 138

These activities are aimed at sensitizing the citizens about various aspects of elections such as importance of identity proof, voting rights and correct way to do voting as well as promoting candidature of women by providing handholding support. Systematic Voters' Education and Electoral Participation program, better known as SVEEP, is the flagship program of the Election Commission of India for voter education, spreading voter awareness and promoting voter literacy in India. SVEEP's primary goal is to build a truly participative democracy in India by encouraging all eligible citizens to vote and make an informed decision during the elections. The program is based on multiple general as well as targeted interventions which are designed according to the socio-economic, cultural and demographic profile of the state.
