Innovation & Startup Implementation

Speaker: **Dr. Ruby Patel** (SSIP Coordinator, M.N. College, Visnagar)

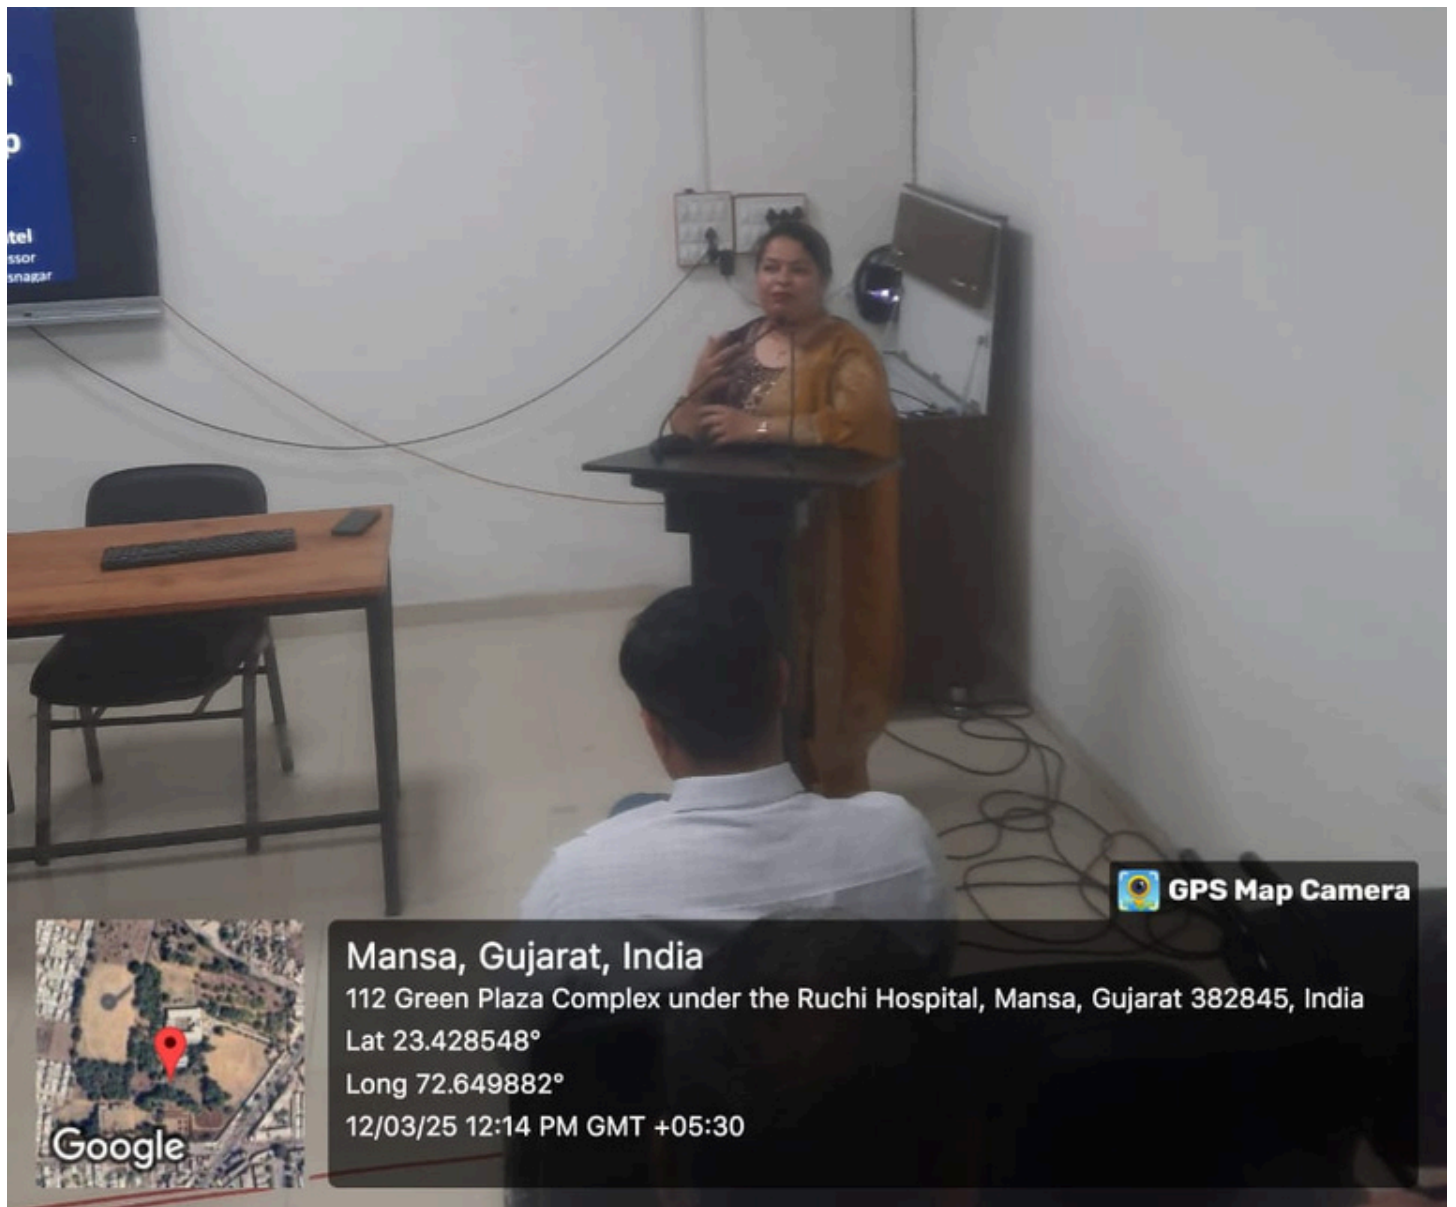

Date: **12th March 2025**

Venue: **Sheth L. H. Science College, Mansa**

Sheth L. H. Science College, Mansa, organized a seminar on Innovation & Startup Implementation, conducted by Dr. Ruby Patel, SSIP Coordinator from M.N. College, Visnagar. The session focused on generating creative ideas and transforming them into successful startups.

Dr. Patel shared key insights on idea development, market research, funding opportunities, and government support through SSIP. She also discussed real-life startup success stories, inspiring students to explore entrepreneurship.

The seminar was interactive, with students engaging in discussions and questions about startup challenges. It provided practical knowledge and motivation for aspiring entrepreneurs.

Overall, the session was informative and encouraged students to think innovatively. We extend our gratitude to Dr. Ruby Patel and Sheth L. H. Science College for organizing this inspiring event.
